6. Entrepreneurial Mindset

by

1. Adamu Esubalew (PhD)

2. Mohammed Zeinu (M.Sc)

Addis Ababa Science and Technology University

Date: November 12, 2026

Objectives

The main objective of this unit will be generating a positive entrepreneurial mindset on professionals to enhance creativity and innovation.

At the end of this unit, trainees will be able to:

- Identify benefits and challenges for creativity and innovation,
- Develop a continuous curiosity, use it to realize creativity and innovation, and
- Generate a positive entrepreneurial mindset.

Presentation outlines

- Nature of entrepreneurial mindset and benefits of entrepreneurial mindset
- Growth and fixed mindset
- Entrepreneurial mindset enhancement mechanisms

6.1. Nature of entrepreneurial mindset

An entrepreneurial mindset thrives on creativity and innovation.

Some of the **basic characteristics of entrepreneurs** are the following:

- ✓ Entrepreneurs **have clear vision** of what they want to achieve and specific and measurable goals,
- ✓ Entrepreneurs are often **innovative thinkers** who seek out new ways to solve problems or improve existing solutions,
- ✓ Entrepreneurs have a keen **ability to recognize opportunities** where others see obstacles,
- ✓ Entrepreneurs can **pivot their strategies in response to new information** or market conditions,
- ✓ Entrepreneurs understand that **failure is often a stepping stone** to success and are prepared to learn from their mistakes,

6.2. Benefits of entrepreneurial mindset

- An entrepreneurial mindset encourages professionals to navigate challenges, seize opportunities and create their path to success.
- The entrepreneurial mind set can help to identify the challenges and overcoming them using creative and innovative ways.
- Hence, the entrepreneurial mindset encompasses a unique blend of traits that enable individuals to navigate the complexities of starting and running a business successfully (Wardana et al., 2020; Cui & Bell, 2022).

Group discussion

🖉 Reflective activity 6.2

1. Describe the benefits of entrepreneurial mindset.

2. Explain how entrepreneurial mindset enhances creativity and innovation for individuals and organizations.

3. identify the challenges to promote entrepreneurial mindset for individuals and organizations.

6.3. Growth and fixed mindset

Growth mindset: A growth mindset is the belief that abilities and intelligence can be developed through dedication, hard work, and perseverance.

- Some of the characteristics of **growth mindset** individuals are the following:

✓ Embraces challenges and take difficult tasks and view them as opportunities for growth,

✓ Persists in the face of setbacks and become more resilient and willing to try again after failures,

✓ Values effort and believe that hard work can lead to improvement,

✓ Receive feedback and actively seek out constructive criticism and use it to enhance their skills, and

✓ Inspired by others' success and view them as a source of inspiration rather than a threat.

Cont’d

Fixed mindset: A fixed mindset is the belief that abilities, intelligence, and talents are static traits that cannot be significantly developed.

Some key characteristics of fixed mindset individuals are the following:

- ✓ Away from difficult tasks or challenges to avoid failure,
- ✓ Become discouraged and give up when faced with obstacles, and
- ✓ Resistant to constructive criticism, viewing it as a personal attack rather than an opportunity for growth.

6.4. Entrepreneurial mindset enhancement mechanisms

Some of the key enhancement mechanisms are the following:

- ✓ Participate in **training programs** focused on entrepreneurship, creativity and innovation, and business management,
- ✓ Engage in activities that challenge your problem-solving abilities,
- ✓ Work with others on projects to gain diverse perspectives and experiences,
- ✓ Practice techniques for managing emotions under stress,
- ✓ Explore fields outside of your primary area of expertise to gain new insights and ideas,
- ✓ Develop skills in assessing risks by creating different scenarios and analyzing potential outcomes, and
- ✓ Adopt a growth mindset by viewing challenges as opportunities for learning rather than obstacles.

Group discussion
